Dear Parent/Legal Guardian As part of your child's enrolment in this Service, we are required to seek consent to collect and share Personal Information with the NSW Department of Education (the Department) where required for funding and support purposes. The consent form below provides information about what information is collected and how it is used.

Consent for the use and disclosure of child's personal information

Collecting Personal Information about you and your Child

You agree that *Nambucca Heads Preschool Playcentre Ltd* may collect Personal Information about you and your child or legal ward (Child) for the purposes described in this consent form.

What Personal Information is collected?

Personal Information' (including information or an opinion) may include information that you have provided (or someone has provided on your behalf) as part of your Child's enrolment application or otherwise in connection with your Child's attendance at the Service.

This information may include your Child's name, date of birth, address, languages spoken at home and other information about you, your family or household. If relevant, this may also include information relating to your Child's health, including any disability, medical records and reports.

How is Personal Information used?

The Service is required to disclose Personal Information to the NSW Department of Education (Department) to receive funding and other support in order to deliver an early childhood education program to your Child. The purpose of this form is to obtain your consent for the Service to disclose your and your Child's Personal Information to the Department.

The Department may disclose your or your Child's Personal Information to its personnel and third parties engaged by the Department (Third Parties) for the purposes listed below. The Department will only disclose as much Personal Information as is required for those purposes. If information is disclosed to Third Parties, the Department will require its Third Parties to only use Personal Information to provide support to the Service and reporting to the Department.

The Department is required to meet the legislative obligations under the Privacy and Personal Information Protection Act 1998 and Health Records and Information Privacy Act 2002 which establish safeguards to protect all personal and health information held by NSW government agencies

The Department may use your or your Child's Personal Information for the following purposes:

- administering funding programs including the assessment and eligibility of support or funding to your Child;
- administering development or capacity building programs offered by the Department for services. This may include the Department engaging a Third Party to support educational outcomes for the Service including potentially for your Child. In these circumstances, you also consent to Service disclosing Personal Information directly to the Department's Third Parties assisting with these programs;
- as part of the Department's audit activities of the Service including in relation to use of Department funding; and
- any purpose relating to the exercise of the Department's governmental functions. This may include disclosure of de-identified data to other Australian Government agencies, including the Commonwealth and other States and Territories.

Under the Privacy and Personal Information Protection Act 1998 (NSW), you have a right of access to, and correction or amendment of, your Personal Information. To access your Personal Information please contact the Service or the Department.

If you would like further information on funded programs available through the Department, please visit: https://education.nsw.gov.au/early-childhood-education/operating-an-early childhood-education-service/grants-and-funded-programs

What if you do not give your consent?

If you do not agree to your or your Child's Personal Information being provided to the Department then this could impact the funding and support made available to the Service in relation to your Child

Privacy collection statement

This service is committed to maintaining all personal information provided by children, families, staff, management, volunteers, students and community in accordance with our Privacy Policy and the Australian Privacy Principles.

This statement outlines the personal information that is collected by this service and how the information is acquired, used and shared. We will not sell personal information to any third parties. See our full Privacy and

What is personal information? How is it collected and why?

Personal information is information that personally identifies an individual, such as a name, residential or email address and includes information relevant to the enrolment process, credit card information, billing records, documentation of a child's learning and development, and recorded information regarding complaints.

Publicly available information, such as information on a public website profile is not considered personal information.

This service only collects personal information when individuals specifically and knowingly elect to provide this, such as when individuals enrol a child in the service, pay fees or subscriptions, and provide health or family information to support the inclusion of a child.

Direct communications

This service uses individual's personal information to send information by post, email or telephone.

What happens with personal information?

This service will strive to let individuals know how any personal information will be used at the time of collection. The contact information collected on the enrolment form is used to contact parents/caregivers in the order noted on the form, daily pick-up contacts are collected to identify persons collecting a child and the emergency contacts are used only when primary caregivers cannot be contacted. Parents/caregivers contact information is also used in the process of debt recovery.

Medical/health and physical/intellectual development information is collected and used to provide appropriate care to the child.

Where is personal information stored?

Personal information is stored in a safe and secure manner, using locked filing cabinets or a password protected database and computer. Information is backed up electronically and securely stored. Data will not be altered or destroyed except in extraordinary circumstances.

Hard copy information is stored at the service, which is secured to prevent entry by unauthorised people. Any personal information not actively being used may be archived, in accordance with regulatory requirements. Personal information will remain on the service database indefinitely until personally advised by a customer that information is to be removed, unless information has been archived or destroyed at an earlier date in accordance with privacy law and regulatory requirements.

Access and updating personal information

Individuals may ask to access, update or delete personal information held about them at any time. Reasonable steps will be taken to verify an individual's identity before granting access, making any corrections to, or deleting information. If a customer wishes to make a complaint, please refer to the Complaints Policy.

Families: Code of Conduct

"It is through everyday respectful interactions with each other that meaningful relationships are build."

In this Code of Conduct the protection and wellbeing of children is paramount, and therefore, speaking out or taking action in the presence of unethical practice is an essential responsibility. Outlined below are standards of behaviour and interactions we encourage, facilitate and expect from all personnel within our Preschool community. By enrolling your child at Nambucca Preschool you agree to:

- 1 Listen to and learn from families, support them in their role of nurturing their children and assist them to develop a sense of belonging and inclusion in our Preschool.
- 2 Develop positive relationships based on mutual trust and open communication with staff members and families.
- 3 Develop partnerships with families and staff members and engage in shared decision making when appropriate.
- 4 Acknowledge the rights of families to make decisions about their children.
- Respect the uniqueness of each family and strive to learn about their culture, structure, lifestyle, customs, language, beliefs and kinship systems without passing judgement.
- 6 Acknowledge that each family is affected by the community contexts in which they engage.
- Be sensitive to the vulnerabilities of children and families and respond in ways that empower and maintain the dignity of all children and families.
- 8 Maintain confidentiality and respect the right of the family to privacy.
- 9 Encourage other parents/caregivers to adopt and act in accordance with this Code and take action in the presence of unethical behaviour/s.
- Acknowledge and support the personal strengths, professional experience and diversity which staff members bring to their work.
- 11 Make every effort to use constructive methods to manage differences of opinion.
- 12 Share and build knowledge, experiences and resources with families and educators.
- 13 Collaborate with staff members and families to generate a culture of continual high quality practice in early childhood.
- Promote shared aspirations amongst communities in order to enhance children's health and wellbeing and the utilisation of Preschool as an early childhood education facility.

In relation to children:

- Act in the best interests of all children, respect the rights of children as enshrined in the United Nations Convention on the Rights of the Child (1989) and interact with children in respectful and courteous manner.
- 2 Recognise children as active citizens participating in different communities such as family, children's services and schools.
- 3 Respect the special relationship between children and their families and incorporate this perspective in all interactions with children and families.
- Support staff and families in maintaining safe, healthy environments, spaces and places, which enhance children's learning and development and show respect for their contributions.
- Acknowledge the uniqueness and potential of all children, in recognition that enjoying their childhood without undue pressure is important.
- Ensure children are not discriminated against on the basis of gender, age, ability, economic status, family structure, lifestyle, ethnicity, religion, language, culture, or national origin.
- 7 Honour children's right to play, as both a process and context for learning.

I have read,	understand and accept my responsibilities to act in accordance with the	e Code of Conduct as outlined above.
